PROFESSIONAL SUMMARY

BFA in Film and Television from NYU (August 2026) targeting game audio internships and game/audio QA. Sound design and implementation in Unity and Wwise, with C# and C++ to hook systems up. Production audio, ADR, dialogue edit, and mix from film and TV coursework; Git and Agile from shipping a student game.

EDUCATION

New York University

Bachelor of Fine Arts in Film and Television

New York, NY

August 2026

EXPERIENCE

Video Editor

Self-Employed

September 2025 – November 2025

New York, NY

- Collaborated with a director and client to incorporate feedback throughout the editing process.
- Delivered rough drafts and final edits on schedule while meeting project expectations and quality standards.

Front End/Stocking Assistant

Kroger

March 2020 – 2022

Great Bend, KS

- Assisted customers with questions and purchases; kept inventory and the floor organized through opening and closing tasks.
- Collaborated with team members to complete daily department responsibilities.

PROJECTS

MazeWeb

Designer / Programmer / Sound

- Authored maze generation, controls, and win state in JavaScript; Unity WebGL renders the 3D grid from that data.
- Wrote original stem music and walking SFX; extra layers fade by walkable-tile distance to special tiles and the exit.

Group5 FPS

Lead Programmer

- Led three programmers on an 8-person Unity FPS: sprint assignment, Git review/merge, and QA with repro notes before standup.
- Coordinated with the lead designer on tools and mechanics through weekly Agile sprints to a shipped MVP.

Short Film

Sound Design / Mix

- Dialogue edit (boom vs lav, L/J cuts), sound design and room tone on MOS, then mix/master and music to picture lock.
- Script supervisor on set: continuity, production-sound notes, and location wilds so post had a paper trail.

NYU Sight & Sound: Studio

Production Audio / ADR

- Live multi-cam: wired lavs, mixed from script, recorded split tracks; ADR in Pro Tools with picture, named files, and talent in the booth.

SKILLS

Technical: Unity · UE5 · Wwise · Pro Tools · C# · C++ · Git · JavaScript

Audio: Sound design · Implementation · Mixing · Dialogue edit · Production audio · ADR

Phi Theta Kappa Honor Society (2022). English (Native).
