PROFESSIONAL SUMMARY

NYU BFA in Film and Television (August 2026). Two years of customer service and front-end retail at Kroger, including phones, plus scheduling and coordination on live studio productions. Student team lead. Microsoft Office 365.

EDUCATION

New York University New York, NY
Bachelor of Fine Arts in Film and Television August 2026

EXPERIENCE

Front End/Stocking Assistant March 2020 - 2022
Kroger Great Bend, KS

- Assisted customers with questions and purchases, providing friendly and professional service.
- Answered phone calls, addressed customer questions, and connected callers with appropriate departments.
- Maintained store cleanliness, organization, and inventory through daily opening and closing tasks.
- Collaborated with team members to complete daily department responsibilities.

Video Editor September 2025 - November 2025
Self-Employed New York, NY

- Collaborated with a director and client to incorporate feedback throughout the editing process.
- Delivered rough drafts and final edits on schedule, meeting project expectations and quality standards.

2nd Assistant Camera March 1-4, 2025
Ants Hill (thesis film) Harlem, NY

- Assisted the 1st AC and cinematographer so shooting ran smoothly: DIT, keeping batteries charged, running slate, changing lenses, and setting up video village.

Grip November 24, 2024
Ti Blan (television pilot) Brooklyn, NY

- Assisted the camera crew; put together lighting setups with the gaffers and other grips; loaded equipment in and out of the van at start and wrap; coordinated over comms; followed set safety.

PROJECTS

NYU TV Production *Production Crew*

- Coordinated production schedules, assigned crew responsibilities, and managed filming timelines during live studio productions.
- Rotated through stage manager, assistant director, director, and other crew roles, communicating over comms on a live schedule.
- Posted casting calls and handled actors' reels, self-tapes, and resumes; welcomed and assisted actors throughout production while maintaining organization and safety on set.

Video Game Programming Course *Lead Programmer*

- Led a team of three programmers by assigning tasks, reviewing progress, and facilitating problem-solving discussions.
- Coordinated with the lead designer to prioritize weekly tasks and maintain clear communication across the team.
